

Ajay Singh

CHIEF PRODUCT OFFICER

Ajay Singh brings more than 25 years of experience in the software and services industry to Pure Storage. In his previous role, he served as Senior Vice President and General Manager for VMware's Cloud Management business unit.

Prior to VMware, Ajay was Senior Vice President and General Manager of Hewlett-Packard's IT Operations Management software business. He also served as Chief Executive Officer of Elastic Intelligence, an infrastructure platform-as-a-service company that was acquired by Intuit.

Ajay founded and then sold ProactiveNet to BMC. During his tenure at BMC, he held multiple executive roles and ran the service assurance, application, and DevOps business units.

Ajay holds a Master of Business Administration from Stanford University and a Master of Science in Computer Engineering from Carnegie Mellon University. He earned his bachelor's degree in electrical engineering from the Indian Institute of Technology in Kanpur, India.
