

Dan FitzSimons

CHIEF REVENUE OFFICER

Dan serves as Pure's Chief Revenue Officer, leading Sales, GTM Channels, and Alliances.

A proud Puritan since 2015 and a 20+ year veteran executive, Dan has been instrumental in scaling Pure's sales operations, most recently as Vice President of Americas Sales. Dan has deep experience in successfully leading global and regional teams varying from start-ups to large technology organizations. With a track record of growing markets both domestically and internationally, Dan excels at developing passionate, high-performance sales teams.

Prior to joining Pure, Dan held several executive sales leadership roles, including serving as SVP, Global Sales at SOASTA, where he led the team from inception to operating in the Americas, EMEA, and APAC and ultimately to a successful M&A exit. Additional leadership roles included VP of North America at Limelight Networks through an IPO, West leader at Symantec, and VP of Sales at Gartner.
