

KEVIN DELANE

VICE PRESIDENT, WORLDWIDE SALES

Kevin Delane is Vice President of Worldwide Sales for Pure Storage where he oversees the company's global go-to-market strategy including sales, field sales, sales operations, and systems engineering.

A technology sales veteran with 30 years of experience, he is also responsible for international expansion and growth. Kevin joined Pure in 2014 as Vice President of Global Accounts, Service Providers and International Sales.

Prior to Pure, he was Senior Vice President of Sales at IO. He spent more than 18 years at EMC in escalating sales leadership roles, including Senior Vice President of Business Operations, Isilon.

He serves as a trustee of Providence College.

Kevin holds a Bachelor of Science degree from Providence College.
