Everpure™

Course description / Instructor-led and On-demand

Pure Certified FlashBlade® Storage Professional Prep

Be the top IT professional to manage your Pure Storage FlashBlade storage. You will demonstrate your ability to install, configure, optimize, and troubleshoot your Pure FlashBlades throughout the enterprise. Lead your company to ensure that your infrastructure is reliable, resilient, and secure, while providing elasticity, expansiveness, and the opportunity of cloud.

Course Benefits

The Pure Certified FlashBlade Storage Professional Prep gives you everything you need to manage a FlashBlade enterprise array through its entire lifecycle. Pure FlashBlade supports enterprise applications and accelerates business results with your most critical data. This course helps to prepare you for the Pure Certified FlashBlade Storage Professional exam.
