

DATA SHEET

Pure FlashBlade Relocation Service

Minimize risk and securely relocate your FlashBlade.

Highlights

- Support end-to-end, comprehensive FlashBlade relocation.
- Verify data erasure, if required.

Flexibility

- Work with the Pure Professional Services team to implement according to your schedule.

Outcomes

- Relocate your FlashBlade securely and safely.

Pure Storage® FlashBlade™ is the industry's most advanced storage for unstructured data, consolidating complex data silos to optimize infrastructure and accelerate tomorrow's discoveries and insights. From time-to-time, you may want to securely relocate your FlashBlade to another location. The Pure Professional Services team plans and executes this service, working with you hand-in-hand to ensure success from start to finish.

The Customer Experience

Pure Professional Services enables you to realize the full value of your IT investments. As an integral part of the Pure Customer Experience (CX) team, we engage with you directly to evaluate, activate, and innovate your IT solutions.

Staffed by engineers who know Pure products inside out, the FlashBlade Relocation Service team works closely with you to limit risk.

Pure Professional Services follows a strict methodology to relocate a Pure FlashBlade. The process extends through an initial scoping call, constructing a plan based on our understanding of the constraints and dependencies on-site at the various locations, and performing a safe and correct relocation.

FlashBlade Relocation Services Deliverables

Stage	Owner	Task	Delivery Method
Pre-planning	Pure Storage, customer, partner (if applicable)	Send installation checklist. Gather pre-relocation information. Schedule site survey, if required.	Teleconference, email
Planning and Document Completion	Pure Storage, customer, partner (if applicable)	Review completed document. Review site survey information. Allocate a Pure resource and formally schedule onsite install. Request data center access and open required tickets.	Teleconference, email, physical site survey
Installation	Pure Storage, customer, partner (if applicable)	Execute onsite relocation per SOW, site survey, install checklist.	Customer site, data center site
Post-installation	Pure Storage, customer, partner (if applicable)	Execute post-install health checks with Pure Support leads.	Customer site, data center site

How to Order

Service Offering	Service SKU	Use Case
FlashBlade Relocation	PS-FLASHBLADE-RELOCATION	Relocating a Pure FlashBlade
