BB. RELATIONSHIP OF USING GOVERNMENTAL UNITS (JAN 2006):

Each Using Governmental Unit's obligations and liabilities are independent of every other Using Governmental Unit's obligations and liabilities. No Using Governmental Unit shall be responsible for any other Using Governmental Unit's act or failure to act. [07-7B210-1]

CC. STATEWIDE TERM CONTRACT (FEB 2015):

(a) With this agreement, the state seeks to establish a term contract (as defined in Section 11-35-310(35)) available for use by all South Carolina public procurement units (as defined in Section 11-35-4610(5)). Use by state governmental bodies (as defined in Section 11-35-310(18)), which includes most state agencies, is mandatory except under limited circumstances, as provided in Section 11-35-310(35). See clause entitled "Acceptance of Offers 10% Below Price". Use by local public procurement units is optional. Section 11-35-4610 defines local public procurement units to include any political subdivision, or unit thereof, which expends public funds. Section 11-35-310(23) defines the term political subdivision as all counties, municipalities, school districts, public service or special purpose districts.

(b) The State shall be entitled to audit the books and records of you and any subcontractor to the extent that such books and records relate to the performance of the work. Such books and records shall be maintained by the contractor for a period of three years from the date of final payment under the contract and by the subcontractor for a period of three years from the date of final payment under the subcontract, unless a shorter period is otherwise authorized in writing by the Chief Procurement Officer.

(c) As used herein, "additional contract terms" means additional terms not otherwise allowed by the "Purchase Orders" clause. Notwithstanding the "Purchase Orders" clause, a purchase order may include additional contract terms but only if and to the extent necessary (i) to comply with a requirement directly related to the work and imposed on the Using Governmental Unit either by law or as a condition of using state or federal assistance, grant, or contract funds, or (ii) for the Using Governmental Unit to impose organizational, operational, or technical security measures designed to protect the integrity, availability, or confidentiality of the Using Governmental Unit's data. Contractor may decline to honor a purchase order including additional contract terms. [07-7B225-2 modified]

from a third party (an "alternate vendor") if the alternate vendor offers a price that is at least ten percent less than the price established by this contract and, after being offered an opportunity, you decline to meet the alternate vendor's price. With regard to the items acquired, the alternate vendor must agree to be bound by all the terms and conditions of this contract. All acquisition pursuant to this clause must be documented by the procurement officer using the attached form. [7B227-1]

EE. ITEM SUBSTITUTION:

No Substitutes will be allowed on Purchase Orders received from South Carolina procurement units without written permission from the issuing procurement unit.

FF. AUTHORIZED RESELLERS/DISTRIBUTORS:

As found in SC Consolidated Procurement Code Section 11-35-4810 paragraph 2, Contracts may be only awarded to manufacturers who will be distributing the products to South Carolina governmental bodies through South Carolina vendors. contractor includes in its contract pricing (though not separately itemized or invoiced) and is paid to the vendor by each participating public entity. The contractor collects the fee as a fiduciary for the State and remits the same as calculated in accordance with the clause titled "ADMINISTRATIVE SERVICES FEE - CALCULATION." The price stated in the contractor's bid or proposal must include all amounts necessary for contractor to meet this obligation.

(b) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. -- Mar., Apr. -- Jun., Jul. -- Sep., and Oct. -- Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division

Attn: Reports Manager

1201 Main Street, Suite 600

Columbia, SC 29201

Phone: (803) 737-0600 (ask to speak to the Reports Manager)

Failure to receive the information packet does not relieve contractor from its obligations hereunder.

(c) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager

requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(d) During the term of this contract and for a period of three years thereafter, PS or its authorized representatives shall be afforded access at reasonable times to contractor's records (including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract. If the audit indicates that contractor has materially underpaid PS, then contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (e)) and reimburse PS for all costs of the audit.

(e) Payments of the fee which are due and unpaid by the contractor (including amounts disclosed by audit) shall accrue interest as provided in the Payment and Interest clause for amounts due to the State. In addition to the fee and interest, contractor agrees to pay to PS its reasonable expenses of collection, including costs and attorneys' fees (and fees for inside counsel), whether or not PS commences legal action.

(f) If the contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

(1) direct the contractor to not accept any further orders under the contract until PS determines that the cause for such direction has been eliminated;

(2) terminate this contract;

(3) direct the contractor to not accept any further orders under any other master State contract established by PS until PS determines that the cause for such direction has been eliminated.

(g) For purposes of this clause, PS is intended as a third-party beneficiary of this contract.

As provided in the solicitation, if a public procurement unit is offered the same supplies, services, or information technology at a price that is at least ten percent less than the term contract price, it may purchase from the vendor offering the lower price after first offering the vendor holding the term contract the option to meet the lower price.
